

Haverhill Corner Precinct
Meeting Minutes
January 17, 2024
Called to order 7:00 PM
Draft

Attendance: Doug Dutille, Albie Estes, Mike Lavoie, Barb Dutille and Mary Ann Rood

Public Appearance: Corporal Kaitlyn Barnum, Haverhill Police Department. New neighbors Lindsey and Jack Hubbard (Gillen's house). Pam and Greg Dipero.

Corporal Barnum wanted to know how the Police Dept could better serve the district. Then she discussed the speed limit sign the precinct will be getting and the pricing. The PD has to wait until the budget is approved by the town. We should know then when we will be getting the sign. She discussed the traffic stops in the town with many of them coming from the Corners. Mike Lavoie questioned where the sign would be placed and how many we will actually have installed as we requested 3. Corporal Barnum explained – due to the grant they received, we will only receive one to be installed. Discussion about the solar speed signs. Doug Dutille questioned why there is no speed sign on 25 going east. Can the PD help facilitate getting one installed? Doug also asked about street lights that are out in the precinct and asked if the PD could help with getting the pole numbers off the poles as it is hazardous for the commissioners to do it. All the commissioners thanked the Corporal for coming to our meeting.

Dipersos – Came back to submit the permit (option 1) where the pole barn will be moved. Pam discussed the path of least resistance. Doug thanked Ray for removing the tree that came down in the storm. And, he thanked Mike for helping out. Doug Dutille motioned to approve the building permit with changes. Second by Albie Estes – all in favor
