November 16, 2022
7:00 PM
Final

In attendance: Doug Dutile, Mike Lavoie, Albie Estes, Barb Dutile, Mary Ann Rood

Called to order at 7:00pm

Public appearance: Bill Daley: discussion involved a deer shooting behind his property across the posted line. Would like to see the fire dept property posted so that it won't happen again. Doug Dutile motioned to allow Bill Daley to investigate for safety zone signs. If not, then it would be posted as no trespassing. second by Mike Lavoie, all in favor

Public appearance: Phil Szilva, Truman Sloan: Had asked Doug Dutile if he needed a building permit for his B&B and Doug responded no. According to Mike Lavoie, the B&B is acceptable and within the zoning requirements. Has an existing septic, which was designed by engineers. However, he is unable to find an official record of the existing septic with the state. Doug Dutile stated that we (Haverhill Corner Precinct) don't have any control over the septic system. It's between the B&B and the state. No complaints with his proposal.

Agenda: motion to approve agenda by Doug Dutile. Second by Mike Lavoie with the addition of the Stand by generator to the alarm system

Approve prior meeting minutes: motion to approve by Doug Dutile. Second by Albie – all in favor

Approve Manifest: reviewed and signed by all three commissioners with exception of Generating Solutions – void check (belongs to town or Woodsville)

Old Business
