## New Business

Treasurer's report: Presented by Barb Dutille. Unanticipated Funds \$28,721.77 / Water Account \$26,340.43 / Donations Account \$3,168.58 / Building Account \$147,068.79 / Debit Account \$1,411.04. Barb presented the CRF report as well. Motion to approve as read and printed by Mike Lavoie. Second by Doug Dutille – all in favor

Trailer Park Water: Doug Dutille stated that there is a meter at the street and would call Woodsville Water and Light to get the cost for installing a new meter so we can monitor for leaks.

Town of Haverhill – Fire Station MOU: reviewed and signed by all three commissioners

7 Tannery Road: Doug Dutille stated that he received a call from Heidi (Real Estate agent). We have a lien on the property and she is asking if we have any wiggle room. Doug would like to get the property back on water usage. Doug motioned to reduce the amount owed on the property by 50% to Heidi, only. Second by Albie Estes – discussion. Mike Lavoie does not disagree, but here are his concerns: The owner has to build within a year according to the regulations. Heidi would need to do her research on whether the builder would be able to actually build on the original foot print. Doug will remind her that she needs to do her homework on the setbacks. Then we would negotiate. Mike would like to amend the motion so that Doug would be allowed negotiate. Doug Dutille motioned to have authority to negotiate 7 Tannery to remove the lien for the sale of property. Second by Albie Estes – all in favor

Building Permit: Joanna Bligh spoke with Doug Dutille about Newmont Properties who wants to put a sludge permit in on the Meadows (where they load the pumpkins). The property is located within the precinct. Doug discussed the process that would have to occur by the state. We will have a conference call with the state regarding the permit. Discussion. Because it is a state approved system, there is nothing we as a precinct can do about it.
